This Certificate is issued by the Radio Society of Southern Rhodesia to all licensed amateurs and SWL, subject to the following conditions:

1. Only contacts made after 1st January, 1961 will be taken into account.
2. Contacts can be on any amateur frequency, and contacts on various bands with the same station are considered as being contacts with a new station altogether.
3. ZS, ZE, CR6, CR7, 9Q5, 9U5, VQ2, ZD6, VQ3 to contact 5 stations in each ZE prefix, e.g., five ZE1's, five ZE2's, etc. Total of 40 QSL's.
   Elsewhere, 2 contacts per prefix are required. Total of 16 QSL's.
   At present ZE prefixes range from ZEI to ZE8 inclusive.
5. Certificates are issued for fone only or CW only. Mixed cards will not be considered.

Send QSL cards to:

The WAZE Award Custodian,
Radio Society of Southern Rhodesia,
P.O. Box 2377,
Salisbury.

Include sufficient IRC's to cover return postage.
